**WINTER WEATHER:**

Especially with the unpredictability of winter weather, the roads for Becky may be great, but for Jarrad and I they are covered with ice, or the reverse. Or there can even be a major difference just between my house and Laura's.

Practice is not worth driving on unsafe roads, so just contact me (if you can) to let me know if that is what you experiencing at your place. Or if it is just plain too cold for anyone to want to go out that night.

I will try to contact all of you early enough to cancel practice if I catch in advance that some kind of storm/weather may be coming, but feel free to check with me if you have any questions.

We do not have texting on our cell phones, but you can leave a voice mail if we don't pick up when you call.
