Subject: Fwd: E-Mail to the Band About the New Band Jackets

Hey Gang

Well, I'm in town today and it's here: Yes the Pumpkin Show! A couple things I probably forgot to mention:

1 You are responsible for your stand at Tuesday and Thursday's concerts and all parades. You can use one that is in our temporary band room, but you are responsible for getting it where you need it.

2 I don't know about you, but this temperature change has me frozen to the bone. Dress accordingly and you can always leave your excess clothes at the band room.

3 If you purchased a new jacket with Sherry, please read her email that is attached.

If I think of anything else I'll be in contact!

Thanks

Dave

David:

If you haven't had a chance to review your phone messages yet, I have already left one stating that your offer to meet before Tuesday is appreciated, but I want to go ahead and bag and tag the jackets so that I can keep better track of who all has picked theirs up.

So, I'll just plan to bring everything to your building on Tuesday.

If you would, below would be a message that could go out to all the band members regarding when and where they can pick up their new band jackets.

Thanks.

Sherry Mathew

To: Pumpkin Show Community Band Members

The new band jackets are in.

If you want to receive your jacket on Tuesday, I will be at David's building in order to pass them out on Tuesday night from 3:00 PM to 4:00 PM, and again right after the concert.

I don't plan to haul them up to the park along with my other gear that I will need for for the concert.

If you don't pick your jacket up on Tuesday, I will be available to pass them out on Wednesday before the concert in David's building.

Sherry Mathew
