Hey gang,

We are pretty much ready for "The Big Show."

Don't forget to bring your own stand for Tuesday night.

If you don't feel you have a sturdy enough one, you can stop by 121 E. Franklin in the rear from 5-5:30 to pick one up. Concert starts at 6 Sharp.

Thanks go out to Dave Dillbeck, Eric Deitrich and Donnie Bethel for their help on Saturday to make a great concert venue for us on our Wednesday and Friday concerts.

Thanks also goes out to Mike McCoy and his family for their help to repair and upgrade our float.

I think everything is in place.

I am attaching an updated list of what we are playing. See you at the show!
