

SHERRY'S INTRODUCTION OF THE PICKAWAY BRASS AT THE
10-4-09 CONCERT:

The Pickaway Brass has been a fixture in the music world of the Circleville area since 1991, and next spring they will be putting on a very special 20th anniversary concert!

You won't want to miss that!

They will talk some about it during the course of the concert.

The Pickaway Brass is a brass quintet of 2 trumpets, trombone, french horn, tuba, and has recently added percussion. They are directed by Mr. Cliff Kerns.

Since 1991 they have given their time and talents by playing throughout central and southern Ohio for churches, weddings, anniversaries, festivals, social and civic groups, hospice ceremonies, area rest homes, Berger Hospital, "Beat Michigan" parties, and of course "The Circleville Pumpkin Show".

Their musical library includes almost 600 songs, over 200 of which have been arranged by various members of The Brass specifically for this group.
