Subject: It's right around the corner.

Yep that's right, It's just around the corner.

We have a busy night tomorrow. Practice, clean-up, move.

But with the help we had this past weekend it should be a breeze.

Our concert hall is ready and the float looks great! Thanks to all that helped! Good work day and I think we had a lot of fellowship too.

Just to make sure everyone knows (there seems to be some confusion) here is our Pumpkin show Schedule:

Tuesday: Concert at the new Pumpkin Show Park 5 PM

Wednesday Concert at 121 E Franklin Rear 6 PM, Parade 8 PM

Thursday Concert at Pumpkin Show Park 5 PM, Parade 8 PM

Friday Concert at 121 E Franklin Rear 6 PM

That's what I got so far. Will send you music info tomorrow morning!

Thanks

Dave
