

# Pickaway Brass Caroling

This is the final schedule of times and locations for the Christmas caroling.

**NOTE: the starting location has changed from previous years.**

**Tuesday December 17, 2013**

#	Time	Location
1.	6:00 PM	Pickaway Manor 391 Clark Drive Circleville, OH (across from high school)
		We will meet around the <u>dining room</u> , which is in the <u>front on the right</u> , and basically play at locations throughout the facility like we did last year.
		We will be in the REST HOME side, which the entrance on the RIGHT as you face the building from the front parking lot.
2.	@ 7:00 PM	Lobby of Berger Hospital 600 North Pickaway Street Circleville, OH
		We will meet in the <u>lobby off of the left of the Main entrance</u> , and finish our evening there. We will NOT be going up to the rooms.
		We will probably be there for 45 minutes or so and go through the book a couple times.
3,	@ 7:45 PM	Afterwards, it's back to the band room for pizza, chips, drinks, etc.

## General Information for the evening:

1. Wear whatever.  
Decorate your instruments (or yourself) or not, etc. There is no standard dress code for the evening.
2. I will have vocal books for anyone who wants to sing along with us. Our arrangements are very "singer-friendly".
3. For the old people among you (you know who you are), or those with INCREDIBLY big instruments who absolutely feel like they have to sit down to play, you might want to bring your own fold-up stool or lawn chair just to make sure you have something.

Pickaway Manor said they would set aside a couple chairs, but you know how that works---they could be the huge, stuffed ones that you won't want to drag around the facility with you. The Hospital should have all the furniture in the waiting area we should be able to use.

5. You will need your own music stand. A cheap, fold-up one will work fine if that's all you want to bring. That's all I use. I will provide all the music, and it is all in 3 ring binders in page protectors
6. If your schedule, or unexpected events, keeps you from starting out with us at Pickaway Manor, just meet up with us wherever you can on the list. We are happy for you to be there whenever you can make it.
7. While we already have music that have used for years for this, and have added to it on occasion to beef up the inventory, if you have any that you would like for us to use that night, and/or make it a permanent part of our Christmas Caroling library, just bring it and we'll give it a try. I'm sure this crew can sight-read anything.
8. FOOD:

Just to repeat from the initial invitation, hopefully you can stay afterwards for some snacks at the band hall.

The general menu will include:

- a. A variety of pizzas from a Circleville store
- b. A variety of chips, individually bagged
- c. Drinks, with ice, to include a variety of soda, diet soda, water, and cold tea.

If you have your own special/personal interests in cold drinks, bring it and we will have cups with ice for you.

If you want to bring anything to add to that, feel free, but our family motto is that no one goes away hungry so we will make every effort to have enough there to meet the goal.
