Hey gang,

Just got a text from Tom Schwieterman.

Seems that he got hit by a car while walking their dog. Broke his right leg and fractured some ribs.

Since we won't be together until January 9th, I thought you all might like to send a Chrisymas or get well card(sounds like either would be appropriate).

As i just stated Band practice will resume January 9, 2018. That should give everyone time to get back in a regular schedule of some kind. Thanks again. Merry Chrstmas!

Dave
