Open house held

The Pickaway County Historical Society recently held its annual Christmas Open House at the Clarke-May Museum in Circleville. Festive holiday decorations, which could be seen throughout the museum, were provided by Pinemill Center and Toni Wise of the Country Store. Guests were treated to seasonal music entertainment by the Pickaway Brass, under the direction of Clifford Kerns. Ellery Elick and Kathryn Hill presented lively piano duets and Bethany Reams sang. Pictured are (from left) Becky Peters Ohlinger, Jerry Voss, Clifford Kerns, Laura Kerns Bethel and Jeff Mathew.
