

Pickaway Brass Caroling Tuesday 12-20-2011

Locations:

1. 5:45 PM-- Berger Hospital Lobby
2. @ 6:30 PM-- Sunbridge (now under a different name)
(Behind the library)
1155 Atwater Ave
3. @ 7:15 PM-- Pickaway Manor (beside Circleville HS)
391 Clark Drive
For Pickaway Manor, we will start in the rest home side, which is the right side door as you are looking at the building from the front parking lot.

We will play at the Dining Room entrance (which is right at that door), and then move around the building to play in each of the two TV areas.
4. @ 8:00 PM-- back to the band hall for pizza, chips, and drinks

Play List

(Subject to whim, capriciousness, blood sugar level, and any preferences you may have)

1. We are just going to start at the front of the book, and work our way back, to save flipping back and forth in it.

If you have a particular song that you definitely want to do in any location, just yell it out.
2. **However, our last song will always be:**
20—"We Wish You a Merry Christmas"

**Thank you for coming!
It has been another fun year of playing
music with all of you.**
