## Tooting for a tuneful holiday

Tuba players from the area gathered in force recently to offer a holiday concert on the Pickaway County Courthouse steps to about 100 who enjoyed the Christmas music. The musicians offered all the standard favorites. The Tuba Christmas was organized locally by Clifford Kerns, director of the Pumpkin Show Band. About 40 players of euphonium, baritone and sousaphone tubas, as well as regular tubas, presented the concert, including the one above from Lancaster. Players had a tuba decorating contest in the spirit of ho-ho-ho.
