—from the President of The Minor Chords

Welcome to our Christmas celebration! We are so glad to have this opportunity to share the holiday season in song with you.

As we raise our voices in joyful melody, we will be singing some of the all-time favorite songs of Christmas past and Christmas present.

Joining us in this holiday celebration of the gift of song will be our guest quartet, "The Ace in the Hole," and our guest chorus, "The Scioto Valley Chapter of Sweet Adelines International."

We extend our most heart-felt wishes to you for the holiday season and may God bless you in the coming new year.

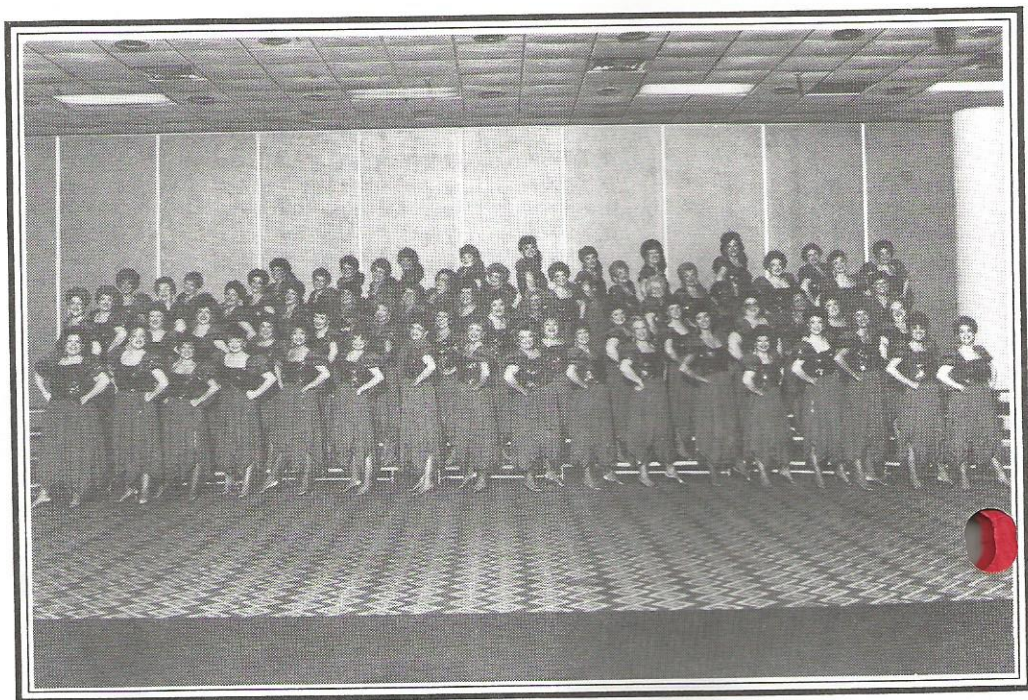

Sincerely,

Bob Foreman

May We Remind You?

Our annual spring presentation—**Chords-a-Poppin**—will be a musical celebration of our 10th anniversary. For your entertainment pleasure, **Mark Wade**, well-known ventriloquist, will be our master of ceremonies. Our featured guests will be the **Yesteryear**, a quartet which specializes in musical comedy, and the **Jokers Wild** (5th Place International Finalist) will be returning to our stage. Also returning to our stage will be Andre Keller and the **Sound of Dixie**.

As always, the Chords-a-Poppin show will be two evenings of barber-shop harmony...**May 28 and 29, 1993** in the Circleville High School Auditorium.

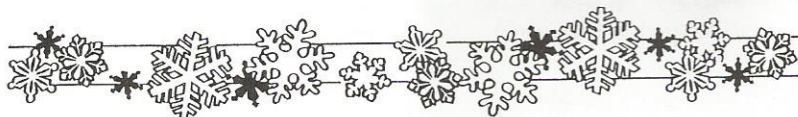

SCIOTO VALLEY CHORUS

The Scioto Valley Chapter of Sweet Adelines International is one of the most exciting additions to the central Ohio arts community. Our chapter, which began in 1987, presently has over 60 members who perform music in the barbershop style. The members come from a variety of backgrounds, professions and age groups. Yet, we share a common interest - the love of singing!

The Scioto Valley Chapter is a show chorus! Our performances have included our annual shows and special appearances on the Channel 6 News, at the Columbus Zoo, at community summer music festivals and at the Palace Theater.

The Scioto Valley Chapter is also a competition chorus! We compete annually in a four-state region and have consistently placed among the top five choruses. While competing and performing are important to Scioto Valley Chorus, friendship is the true essence of our group.

THE MINOR CHORDS

The performing chorus of the Circleville Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc. (S.P.E.B.S.Q.S.A.) was incorporated in Ohio in 1989 as a non-profit educational, charitable, and fraternal organization under IRS code 501(c)(3).

Founded to provide a musical outlet for men, our membership is dedicated to achieving higher levels in choral sound production and showmanship.

Members meet weekly on Tuesday evenings from 7:30 to 10:00 p.m. These men pay dues to assist with administrative expenses of the chorus. A music team provides musical leadership while a Board of Directors, elected yearly, administers the finances and provides business acumen relative to the operation of the chorus. Our pledge is to provide a program of top-notch musical entertainment.

Committed to serving the community, The Minor Chords has donated over \$13,000 to local charities. In addition, our special charity is the Institute of Logopedics, Wichita, Kansas, which maintains a residential school dedicated through music to assist children afflicted with multiple handicaps.
