

An Evening  
with the  
Pickaway Brass  
Spouses Night  
Valentine  
Party

The Pickaway Brass was formed in 1991 to furnish music for graduating ceremonies at the Circleville Bible College. Jeff Mathew and Laurel Bethel play trumpet; Carol Geron, French horn; Jerry Voss, trombone and Cliff Kerns, euphonium. The quintet has performed at area churches, Ameri-Flora in Columbus and other events. They are available for any function that needs music. The music is in the style of the Canadian Brass and ranges from classical, religious and secular.
