Under the "2017 ENTERTAINMENT LINEUP" section, there is a featured article titled "The Circleville Pumpkin Show Community Band". To the right of the article is a "FOLLOW US" section with social media icons for Facebook and Twitter.

The article text reads: "The Circleville Pumpkin Show Community Band was formed in 1979, and performs at various community events and functions throughout the year. Of course, their premiere performance every year is at the Circleville Pumpkin Show, where they appear in parades and in concert at the Circleville-Pickaway Visitors Pavilion. The band consists of approximately 60 members from all walks of life and ages, from a 12 year old student to an 87 year old retiree. The Pumpkin Show Band is directed by David Winner, and performs show tunes, overtures, and marches."

A notification bubble in the bottom right corner of the browser window states: "Screenshot Added A screenshot was added to your Dropbox." The Windows taskbar at the bottom shows the time as 2:30 AM on 10/6/2017.
