Subject: Spring Concert

Hey gang

One more practice before our Spring Concert. After working on an order for this concert I don't think we had enough music for it. I might be wrong. We will find out Tuesday night. So having said that I pulled another selection from the Black Book. You will need to pull Star Spangled Banner, Stars and Stripes Forever, and maybe Colonel Bogey from your Black Book or please try to get to practice early so we can get you what you need. List and probable order are attached.

Thanks

Dave

See you Tuesday!
