

SHERRY'S INTRODUCTION OF THE PICKAWAY BRASS
AT THE PICKAWAY BRASS 20TH ANNIVERSARY CONCERT:
(SUNDAY APRIL 18, 2010)

Good afternoon. *(P.S. SMILE!)*

I am Sherry Mathew and on behalf of The Calvary United Methodist Church I would like to welcome you to this very unique and special event:
The 20th Anniversary Concert by The Pickaway Brass

First of all, I would like to remind you about turning off your phones and pagers, or at least setting them to "vibrate".

The Pickaway Brass has been a fixture in the music world of the Circleville area since 1991.

The Pickaway Brass is a brass quintet of 2 trumpets, trombone, french horn, tuba, and in recent years they have added percussion.

Since 1991 they have given their time and talents by playing throughout central and southern Ohio for:

- Churches,
- College graduation ceremonies,
 - Weddings,
 - Anniversaries,
 - Festivals,
- Social and civic groups,
 - Area rest homes,
 - Berger Hospital,
- and of course "The Circleville Pumpkin Show".

Their musical library includes almost 620 songs, around 230 of which have been arranged by various members of The Brass specifically for this group. You will hear several of their own arrangements in today's concert.

This summer, then, is their 20th year as friends making music together for the benefit of the Circleville area.

To celebrate this event, they have decided to hold this Anniversary Concert, and they have invited past members of The Pickaway Brass along with friends who have sat in on occasion to perform with them.

The Calvary United Methodist Church is proud to sponsor this
20th Anniversary Concert by The Pickaway Brass!
