

Pickaway Brass Song Instructions:

On:

- 1. Stars and Stripes Forever**
- 2. Lassus Trombone**
- 3. The Klaxon (some of the Brass parts may be slightly different than what you may have in the same instrument. Don't let that throw you as we play.)**

We will play them as written,

On "The Entertainer", your parts should already have some markings, but:

- 1. First Strain:**
 - **The 2nd trumpet will play the first strain only on the second time through.**
 - **First trumpet, Trombone, and French Horn will play the 1st strain both times.**
- 2. Second Strain: We do NOT play the first ending.**
- 3. Last Strain: We do NOT play the first ending. Play the 2nd ending only, and then take the "**DS**" back to "A".**
- 4. On the "DS", do NOT play the 1st ending, we will go ahead and play the 2nd ending and then end the song.**

We will run through these songs on the practice before the concert, if you can make it (Tues 4-13-2010, 6:00-7:00 at Band Hall) and definitely before the concert (Sunday 4-18, be there by 2:15 at Calvary Methodist Church, 427 South Washington Street, Circleville)

Please bring this music to the practice and the concert.

Contact me if there are any questions.

Thanks for participating in the concert with us! This will be fun.
