Hey gang! Just checking in.

I am sure you are all keeping tabs on the news.

I am hoping the Governor and Dr. Acton feel it is safe for us to assemble soon.

I miss all of you!

As you are aware, we have no idea how this is going to effect, at least summer calendar and beyond.

But just hang in there.

This a good time to contact a friend about joining when this is all over. I hope you all are keeping your chops (or arms if you a percussionist) in shape!

Can wait till we can all get back together!

Dave
