Subject: Spring Concert

Hey Gang!

Thanks for a great concert! I think the audience really enjoyed the selections we played and got into the program.

Had some new faces in the crowd.

I hope you all congratulated are scholarship recipients.

A big thanks to Becky for taking the scholarship program to a higher platform!

I also want to thank Gary and Eric for helping with rehearsals and the performance.

And last but not least our announcer Mr. Bob Miller!

Everyone pitched in! Thanks again!

No practice this week. See you all on the 17th.

Dave
