## **SPECIAL THANKS GO TO.....**

*.....all choirs, directors, accompanists, and instrumentalists who participated this evening in our 7th Annual Festival of Choirs.*

*....Robert Petty for his enthusiasm and inspiration in directing the Festival Choir. I am very pleased to announce that Dr. Petty is devoting more of his time to composing music and that one of his latest choir anthems is being performed in tonight's concert. Dr. Petty, as many of you know, has recently retired from public school teaching. Many of those years were spent here in Pickaway County at Logan Elm and Circleville schools. He has now started his own publishing company called "Festival Publications."*

*.....Judy Davie and other members of the Worship Committee for coordinating our meal for the participants this evening.*

*....Chet Iery and Jim Hoffman for their custodial help, and Mary Lou Barrett, for her work on the programs.*

*....**THANK YOU ALL** for coming!*

*Katie Schneider, Festival Coordinator*
