**Subject:** Scholarship Update

Dear Band Members:

I realized that I did not announce at the last practice the recipients of our scholarship because I had not yet notified the students. We gave three scholarships because we had no applications from Logan Elm, and the applicant from Circleville turned down the scholarship because he got a "full ride" from Ohio State. The winners are Courtney Thomas from Teays Valley, Breah Norris from Westfall, and Daniel Mitchell, who was home-schooled. Jeff kindly added some information about each one of them to our website, and I will notify the Circleville Herald. It's a shame that we could not present the scholarships in person at the concert, but David Dillbeck mailed the students their checks and certificates.

I miss seeing you all and hope you are well!

Becky
