Hey gang

Meant to get this out sooner, but got to spend a glorious weekend with our granddaughter(I've got pictures), so a lot of things got put on the back burner. If you haven't been coming to rehearsal, we need you. We have a busy June coming up. We have a wonderful sound from the people who have been coming, but our numbers are down. Upcoming engagements;

June 9 Westival

June 14 Flag Day

June 17 Horse Racing

June 24 Mt. Oval

Please make an effort to get to practice tonight. I've already turned the AC on, so you can't use the heat for an excuse!

Thanks for all your support!

Dave
