LOCALE INFO

Local Time 11:55 pm

New this year will be a family art project called "Birds of a Feather Make Art Together" conceived by the Random Acts of Art committee of the Arts Council. The project will feature an 8-foot by 8-foot, two-dimensional tree. Families visiting the park will be invited to decorate a bird or leaf to place on the tree. Following Westival, the committee plans to display the tree at locations throughout the Uptown area. The tree will continue to grow in complexity as additions to the tree will be made at events in the future.

All bands from last year are returning. Entertainment will be continuous at the amphitheater in the park, with each band giving a 40-minute performance, at the start of each hour, then a variety of ensembles presenting during the 20-minute transition times.
