Honoring Our Veterans

BUCKEYE LAKE Memorial Day got an early start in Buckeye Lake with the Second Annual Memorial Day Parade co-sponsored by the Buckeye Lake Library and the Greater Buckeye Lake Historical Society Saturday morning.

This year the parade had music with two bands. The Millersport Marching Lakers were joined by the Circleville Pumpkin Show Band thanks to Joe Albanese and another donor. Albanese used to play trumpet in the travelling band.

Hebron's American Legion Post 285 conducted Memorial Day Services at eight area cemeteries before marching with the Lakewood Marching Lancers to Hebron Cemetery.
