

Circleville Pumpkin Show Band

Pickaway County Fair Play List 6-22-2014 12:30 PM

Misc Info:

1). At the Pickaway County Fair on Saturday, they announced that there were 15 races scheduled for Sunday. Yes, really. Don't worry, no one has plans to stay for all of them, but we will target to stay till @ 3:00 or so.

(Usual run time for harness races is 15 minutes per race.)

2). I apologize that I do not have numbers for these songs, but when the band started changing the numbering system, I just went ahead and sorted my book to be in alphabetical order.

3), Don't get concerned, we probably won't get to all of these songs today.

4). Always have the "Star Spangled Banner" ready for the 12:30 to 1:00 period. We usually don't get much notice before they want us to play it. On Saturday, it was played @ 12:45.

5). I will ALWAYS tell you how we will start the song (*how many measures or beats I will count off first, etc.*). Well, OK, I will at least try to remember to do that.....
