Hey Gang,

OK, if you didn't make practice last night, here are some details you need to know. Thursday, July 11, the Wyngate facility. Dinner(yes they are feeding us) at 5, Concert at 6. Rain or Shine. Change from last email: White Shirts and Black Bottoms(Will explain later). The selections listed are what will be played, BUT bring your entire Black Book and also bring "Grease."

Previous email had the wrong date for our combined concert at Mt. Oval. It is Sunday July 21st at 6 PM. I'll let you know what we might be playing in a future email. That's all I got for now! thanks for all your help!

Dave

PS if I forgot or messed anything up, please let me know so I can correct it!
