### Discussion Items:

1.	Practice next Tuesday, August 17, 2010 6:00 PM, everyone will be in (last practice before Ashville)
2.	<i>We will take <u>at least 2 breaks</u> during the 2-hour concert of @ 5-10 minutes, one at @ 40 minutes and another at @ 80 minutes. These times are flexible based on how we all are doing. Our contract states that the amount of breaks is up to us. Unless our contact/contract person tells us to quit early, we will definitely go to 10:30 PM. The grounds close at 11:00 PM.</i>
3.	<i>I don't plan that we will have to play <u>all</u> of these songs, but this will give us some choice if we want to by-pass some based on lip strength, mood, caffeine levels, whim, capriciousness, length of the line at the lemonade stand, etc.</i>

4.	<i>Jeff will be at the bandstand by @ 7:00, so if you want to drop your horn and other stuff off, he will watch it for you while you wander around, get a drink/sandwich, etc. .The Bandstand is empty by 7:00, and so we won't have to wait on anyone to leave before we start setting up. <u>Officially</u>, we can start setting up by 7:15.</i>
5.	<i>Thanks to John for sitting in for Jarrad so we could keep the Ross County Fair gig for 2010.</i>
