

PICKAWAY BRASS CONCERT LIST

Event:

Location: Ross County Fair
Ross County Fair Bandstand

**FINAL LIST
 (more or less)**

Date: Wednesday August 12, 2009

Time: 8:30 PM to 10:30 PM Be ready to play by 8:30 PM

We should have plenty of set up time to be able to start at 8:30, as the event in front of us is: a "Fire Fighter Training Show starting at 7:00 (No end time listed)

Wear: White Golf Shirt,
 Black shorts/pants

Bring: Your own black music stand.

You might want to think about bringing:

- A light jacket as it cools down in evening-dark or black is good, but don't worry about color
- Clothespins/plastic to hold the music down
- A stand light, There is lighting on the band stand, but this would be as a back-up

Provided:

- Armless Chairs
- They are providing a PA system for announcements and Dave will be bringing a PA system to supplement that to make sure we can project to the crowd

Things to Consider:

- Sometimes traffic can get kind of slow coming down 104, and even once you turn into the fair grounds road from 104 as people come in for the evening and they all try to get parked. Just allow for that time.
