Hello all!

Well, in my quest to keep us all on the same page, I am sure you all know that Pumpkin Show 2020 will not be. I believe there will still be a Pumpkin Weigh in at the Fairgrounds on the traditional day of Wednesday that week. (By the way, I'm trying to grow one of those giant pumpkins.) Also in talking to Neal Redd the Laurelville Methodist Church will not be having us in August, due to the virus. So having said all of that, I suppose it would be best for us to keep monitoring the situation, hope the curve flat lines and we can get back to normal living at some time in the future. In other words, no practice for a while.

On another note Sheran Cherrington has been moving, sorting and reinventing our music library. She has been working on it a couple hours a day and if you have some time, I am sure she would appreciate the help.

Dave
