

The Circleville Pumpkin
Show Community Band
Perform at the
Laurelville Trinity
Methodist Church

2017

SUNDAY 8-27-17 6:00 P.M.

In 1979, Mr. Gary Dean was approached by some of his former students to start a band for people out of school. As Mr. Dean's work schedule at the time had him out of the area, Mr. Drexel Poling (a former Band director at Teays Valley) would step in to help direct the "Hometown" band. In 1982 Mr. Clifford Kerns took over the directorship and remained in that position until 2006. At present David Winner is the director.

The band supports and is supported by Pumpkin Show, Inc. Pumpkin Show provides our practice facility and at various times provides us with monetary gifts for equipment. We perform three concerts and are in three parades during the annual event. But that is only a small part of our commitment and contributions to the community. We have our own annual concerts in the spring, summer, and winter (Christmas), but have also supported many other county programs: Flag Day Service, Veterans Day Service, Heart and Cancer Walks, and the Pickaway County Fair to mention a few. We also sponsor the local Tuba Christmas Program, put on annually in November.

Our membership, as you can see is not limited to any age. We have members as young as twelve and as old as eighty-something.

The Band welcomes and encourages all musicians who desire to play, rehearse and have a fair degree of proficiency with their instrument, to become active members. Helping to preserve the cherished American heritage – the hometown band – is what we strive for. Also please give our web site a look: <http://pumpkinshowband.weebly.com/>
