Hey Guys,

Thanks again, Eric, for jumping in at the last minute,. Your a life saver.

OK. I was figuring on having practice next Tuesday 9/4.

We will have a practice (dress rehearsal) Monday 9/10 at the college and then the program is, of course, 9/11 at the college. Questions or comments?

Dave

P.S. I am looking for ideas for our Pumpkin Show performances. Either text or email them to me(at least write it down) Got a lot of stuff rattling around in my head.
