In 1979, Mr. Gary Dean was approached by some of his former students to start a band for people who were out of school. As Mr. Dean's work schedule at the time had him out of the area, Mr. Drexel Poling would step in to direct the "Hometown" band. In 1982, Mr. Clifford Kerns took over leadership of the band and remained in that position until 2006. At present David Winner is the director.

The band supports and is supported by the Circleville Pumpkin Show. Pumpkin Show provides our practice facility and at various times provides us with monetary contributions for equipment. This year we will perform 4 concerts and in 2 parades at the Show. We have annual seasonal concerts, but also support the county in various other programs: Flag day, Veterans day, Heart and Cancer walks, the Pickaway County Fair and the local 911 program, to mention a few. We also sponsor the local Tuba Christmas program, put on the Sunday before Thanksgiving.

Our membership, as you can see is limited to ant age. We have members as young as twelve and as old as eighty something.

The Band welcomes and encourages all musicians who desire to play, rehearse and have a fair degree with their instrument, to become a member of our group. Helping to preserve the cherished American heritage-The Hometown Band- is what we strive for. Please visit our web site:
