Subject: Concert/Practice

Hey Gang,

Great concert last night! I think the mix in the selection of music worked out well. Sorry I sat down toward the end. I guess the heat just got to me. I feel ok this morning, still a little weak, but I'll be fine. Thanks for your support. NO practice this Tuesday August 6th. We will be practicing next Tuesday, August 13th in preparation for our annual concert in Laurelville (Sunday, August 24th?). Keep Cool and hydrated!
