Subject: Practice

Hope everyone had a great weekend! Practice tonight at 7:30 sharp. I'll be late, but Eric will run rehearsal until I get there. Bring your BLACK BOOK! We will be playing before the program starts and all of that music will come from the BLACK BOOK. The 911 program is at OCU (can't remember if that's where it was last year) in the new auditorium out in the front of campus. So having said that our undress rehearsal will be 9/10 at 7:00 at OCU.

See you tonight!

Dave
