Hey gang,

O.K. Rehearsal is at 7 PM Monday, please arrive early.

You need your own stand and bring all of your music(Black Book included).

I think in the program we will feature "**Lest We Forget**" and "**Navy Hymn**"(Black Book).

Before the program I'm thinking "**Washington Post**," "**Silvercrest**," "**This is My Country**," our "**Armed Forces Salute**," and what ever else we pull out of the BLACK BOOK!

Where are we going?

If you are coming from Circleville, US 22 East. When you see the College on the left side, Go to where the extra(Three lanes) turn lane is go left.

Our Venue is right straight in front of you. No name on the building that I could see. It might be one of the nicest in door places we have played. Very excited!

Performance day (9/11) I hope you can all be there at 6. We will start playing about 6:20.

I'll probably think of something else to pass along later.

Thanks for all your help!

Dave
