

Joe Albanese

September 9 · 🌐

~ Changing of the Guard ~

This is the last photo of me and my trumpet, from yet another chapter of my life, coming to a close.

Many great memories of back in the day playing with the Circleville Ohio Pumpkin Show Band.

A nice young lady, aspiring to becoming a proficient musician, took ownership of my trumpet today.

Wishing her as many or more happy and enjoyable moments as I have had while playing it over the last (36) years!
