Hey Gang!

Thanks for all of your work this week! I think we had great concerts and parades! But I will tell you this: I'm tired! And just for your info Rita and Doyle were both so upset that we didn't play "Lion King" that they played it this morning with the Roundtown Ringers. I don't know anything about "Ringing," but they are great and the amount of concentration it takes to do it is amazing. Thank you all for ALL your work.

As announced, we will not be practicing this week so we have time to get our folders in order for our Christmas concert. If you have any requests for the Christmas concert please let me know.

We will be having a moving day Saturday Oct 26 at 9 AM (in time for you all to make the noon Kickoff). For those that can help get stands and chairs back to our practice area.

I forwarded an email that Jeff Mathew sent with some additional information you might want to take in. I thank Jeff for all he does with our web site! Look at it. It's fantastic.

See you soon!

Dave
