The Pickaway Brass
Circleville-Pickaway Visitors Pavilion
Saturday, October 20 – 5:00-5:45 PM

The Pickaway Brass was formed in 1991, and has performed throughout central and southern Ohio at numerous festivals, community events, and private functions. The members include: Jeff Mathew-Trumpet, Laura Bethel-Trumpet, Jarrad Mathew-Trombone, Eric Dieterich-Tuba, and Becky Ohlinger-French Horn. The musicians routinely double on many other instruments in order to add distinctive personalities to the music. The music library of The Pickaway Brass consists of several hundred pieces, and includes movie themes, Broadway melodies, Dixieland, Ragtime, marches, big band numbers, classical music, and solo pieces. In fact, a large percentage of their repertoire was arranged specifically for them and is not heard from anyone else.
