

CPSBB #105:

A very important bulletin because it contains our upcoming concerts for 1996. It is very possible that more may be added, but right now, this is what we have, although they are subject to change. SO KEEP THIS BULLETIN ON HAND FOR FUTURE REFERENCE.

Tuesday, March 12th (that's a rehearsal night) At Logan Elm High School, for a Special Olympic Basketball game. We play $\frac{1}{2}$ hour before the game. We start at 5:30. Following the short concert, we will have our normal rehearsal only it will be in the Logan Elm Band Room. If you can't make it at 5:30 GET THERE WHEN YOU CAN.

Sunday, March 24th our annual Spring Concert at the Trinity Luthern Church (where our Christmas Concert was) Time is 2:00.

Saturday, April 27th At Pickaway County Youth Center (which we think is beside the Sheriffs Department) Time on this is 1:00 in the afternoon. More definite information on this at a later date.

Sunday, April 28th at Ted Lewis Park, for some type of veterans event. Not too much info on this, but it will be forthcoming at a later date.

Friday, June 14th Elk's Flag Day Ceremonies. Concert at 6:30

July 3rd or 4th at Ashville. This one we really are not too certain of, but it has been discussed.

Sunday, August 25th our Annual Concert on Court House Square. Time to be announced.

Wednesday, Thursday, and Friday, October 16-17-18 Pumpkin Show.

Sunday, December 22nd Our Christmas Concert at Trinity Luthern Church. More on this later.

OOPS--did miss SATURDAY AND SUNDAY June 29 and 30 at the Pickaway County Fair. More on this also at a later time.

Don't forget, Cliff likes us to arrive at concert site at least $\frac{1}{2}$ hour prior to the time concert is scheduled to start.

Please try to arrange your schedule in the future to allow these dates to be open. We want to present a good image of ourselves at all of them. To do this we **MUST** have a good turn out of band members, and we **MUST** have attended enough rehearsals to play our music well.

We have picked up three new members recently: Sheran Cherrington on French Horn.. Cole Williams on Snare Drum..and Nick Stanley on Baritone. We are very happy to have them with us. Also, back after long period of absence due to illness is Bob Hansley (Tuba) Nick Bush (Baritone) is also back after a lengthy absence. And we hope Dave Steele (Trombone) is back soon, fully recovered from his recent surgery.

While we have picked up three new members, we have seven names on the roster who have not been to rehearsals or concerts for months and months. So, we, in numbers, are still behind. If the new members are attentive, we have gained.
