

CPSBB#107

Concerning our Spring Concert: an unsolicited comment: "That was the best concert I have heard the band play, and I have been to a lot of them".

If only we could somehow get more people to attend.

Remember in last month's bulletin I gave the schedule for the year, but remarked that it was subject to change, and since that bulletin, we have dropped one concert, the one scheduled for Sunday, April 28th at Ted Lewis Park. And we have added two. So, here we go again, and still, things are subject to change.

Saturday  
Sunday, April 27th at Pickaway County Youth Center. Time is 1:00 in the afternoon, but that is all I have at present.

Friday, June 14th Elk's Flag Day Ceremonies, concert at 6:30.

Saturday, June 22nd (this is one of the new ones) at 1:00 in the afternoon for the Lancaster Car Club. Location at a later date. *Fairgrounds*

Thursday, June 27th (another new one) 7:30 in the evening at the Pickerington Senior Center.

Saturday, June 29 and Sunday June 30th at the Pickaway County Fair.

July 2nd (definate date) Ashville. By the way, this is on a Tuesday.

Sunday August 25th Concert on Court House Square.

Wednesday, Thursday and Friday, October 16-17-18 Pumpkin Show.

Sunday, December 22nd-Christmas Concert

Will try to update each concert in the month before bulletin. But the easiest way to know for certain what is going on, and when and where it is going on is to attend rehearsals.

Certainly did enjoy the St Patrick's Day party we had after rehearsal on March 19th. Things like that are appreciated by all of us.

The day off on Tuesday, March 26th was appreciated by a large portion of the band.

Did not get a count of band members that participated in the Spring Concert, but the number was high.

See ya
