

CPSBB #108:

The month of May is an "off" month, in that, to date, we have no engagements scheduled for the entire month. Which means we can devote the entire month to rehearsals, and thereby assure that our engagements in June are played better. Of course, a commitment to do this is up to each of us, we can attend rehearsals and learn to play the music the way Cliff wants it played, or we can not, and play it.....

We have, at present six (6) engagements scheduled for June. Hopefully they will be better participated in than was our engagement recently at the Pickaway County Youth Center. We had 32 members present....and out of 72, that's not quite 50%.

HERE'S THE JUNE SCHEDULE...KEEP THIS SOMEPLACE HANDY, AND DO YOUR DARIDEST TO BE PRESENT FOR AS MANY AS POSSIBLE, IF NOT ALL OF THEM.

Sunday, June 9th..1:00 pm..Commercial point..Parade and concert.

Friday, June 14th..Elk's Flag Day Ceremonies. Not certain of time element on this, but Cliff will make this announcement in plenty of time.

Saturday, June 22nd..1:00 in the afternoon, in Lancaster, for the Lancaster Car Club. Not certain as to the location, but again, Cliff will let us know in plenty of time.

Thursday, June 27th..7:30 PM. At the Pickerington Senior Center.

Saturday, June 29th and Sunday, June 30th..Pickaway County Fair, in the Grand Stand for the races. Time element on this to be announced later.

Sorry I am uncertain of certain factors we all need to complete arrangements for the June Concerts. I will do my best to have them down pat in the bulletin the first of June.

A short, but important bulletin.
