

CPSBB # 109:

June is a BIG month, but the bulletin differs little from last month's. One concerning fact is that attendance at rehearsals of late has been at the best, "not too good."

The last thing Cliff says after each rehearsal of late is: "get these other people out". I can understand why the man could be frustrated. He never misses.

Let's take a look at what is in store for us in June:

Sunday, June 9th..1:00 in Commercial Point. Parade and Concert, but we are still not real certain where we are to meet. Cliff will let us know next Tuesday.

Friday, June 14...Elk's Flag Day Ceremoney. Time is 6:30 in front of the Elks.

Sat. June 22.....1:00 in the afternoon in Lancaster, for Lancaster Car Club. Park in Horse Track Infield in Lancaster Fairgrounds.

Thursday, June 27..7:30 PM at Pickerington Senior Center (in the past, this has been one of our better concerts, with real good attendance)

Sat June 29th and

Sund June 30th...Pickaway County Fairgrounds. Play in Grandstands. We will start ½ hour before races start..which should be 12:30 and we will also play one selection between races.

That's it for June, now keep in mind, the times shown are starting times. As you know, Cliff wants us all there and ready to play ½ hour early.

At the present time, we have only one engagement in July, that is on July 2nd in Ashville. Time, etc will be indicated in next bulletin.

Got a phone call from Cliff, a short while ago...and on June 9th, at Commercial Point, we are to meet at the High School. I think Cliff said that is where we played our concert when there last summer. Anyway, find the school by 12:30, so we can start at 1:00.

June is a BIG month..hopefully most of us will make rehearsals and concerts.
