

CPSCBB #126:

The big Pumpkin Show is over, weather, not bad at all. The crowds excellent for our two parades and 1½ concerts. For this work, the band has received a check in the amount of \$250.00 from the Pumpkin Show Committee.

In November, to my knowledge, we have no engagements at this time. We do, however, have rehearsal scheduled for every Tuesday preparing for our Christmas Concert. The only thing going in November is the "Merry Tuba Christmas" scheduled for Sunday, November 23rd. Registration (in our practice Hall) at 2:30..Rehearsal (at same place) at 3:00..Concert (In front of the Court House) at 5:00.

While we have no engagements in November, we have, at the present time, two in December. First, a new one, on December 6th (Saturday) in the local Christmas Parade. Parade time 1:00.

Second, our Annual Christmas Concert, on Sunday, December 14th at 2:00. At the Upper Room at the Trinity Luthern Church.

We held our annual Election of Officers this evening...it was moved and seconded that the current slate of offices be retained, and they were.

President: Lowell Buidendorp  
V.P: Jeff Mathew  
Treasurer: Jim Shea  
Secretary: Lydia DeLong  
Historian: Shirley Rihl  
Librarian: Sheran Cherrington  
Social Director: Ruth Holt.

As one member stated after the election.."We put you guys back in office in the hopes you will get things right this time around."

A short bulletin, but importation information contained herein. So keep it handy, and try to make as many rehearsals as possible to prepare for our Christmas Concert.
